

## PRONOUNS

### What is a Pronoun?

A pronoun is a word that takes the place of a noun.

Example: My father works hard. He works hard.  
The word *he* is used in place of *father*. *He* is a pronoun.

Here is a list of pronouns.

He, him  
She, her  
We, us  
They, them  
I, me, you  
It, its  
His, hers, its
