

MULTIPLE MEANING WORDS

What are Words with Multiple Meanings?

Words with multiple meanings are words with more than one meaning. Use context clues, or the other words in the sentence, to figure out the meanings of words with multiple meanings.

Examples

The word **bark** can mean:

1. to make a noise, or
2. the surface of a tree trunk.

The word **slip** can mean:

1. to slide, or
2. a piece of paper.

The word **pant** can mean:

1. to gasp for air
2. a covering for the body
