

## ADDING MONEY

Amounts of money may be written in several different ways. Cents may be written with the ¢ sign and dollars can be written with the dollar sign (\$). When we add money, we add the amounts and place the correct sign on the sum.

### How to Add Money:

- Money is written as a decimal with dollars to the left of the decimal point and cents to the right of the decimal point. Seventy-three dollars and eighty-two cents is written \$73.82.
- Adding money is just like adding decimals.
  1. Write the sums of money, aligning the decimal points before adding.

2. Add
