

## GREATER THAN/LESS THAN

### Greater Than:

If a number is GREATER than another number that means it is higher in value than the other number.

300 is GREATER than 200

It also can be written  $300 > 200$ .

$>$  = greater than sign

### Less Than:

If a number is LESS than another number that means it is lower in value than the other number.

100 is LESS than 200

It also can be written  $100 < 200$ .

$<$  = less than sign
