

THE RENAISSANCE IN EUROPE

What do you know about the Renaissance in Europe?

The **European Renaissance** was a time of social, scientific, artistic, and religious **rebirth**. From **1463 to 1650**, inventors, artists, philosophers, and scientists created and brought to light new ideas and perspectives that changed the shape of society and daily life.

The Renaissance is especially notable for its **art**. From the Sistine Chapel to **Leonardo Da Vinci's** many works, the world was seeing things in the artistic world that they had not seen before.

While art is one of the significant advancement of the Renaissance, there was a great deal of **literature** that arose from the Renaissance. **Shakespeare** is one example of a writer whose work surpasses this time period and is still read today.

Many historians consider the Renaissance the beginning of the modern world, when a **rebirth of the human spirit** brought positive change.
