

THE CIVIL WAR

What do you know about the Civil War?

During the late 1800's, there was a war between the northern and southern states in America. While much of the cause for the fight was **slavery**, there were other reasons that contributed to the division of the new country.

of battle still existed. However, slaves were officially free and the economies of the North and South were in a new era of growth.

The end of the Civil War did not end the tension between the North and South, but it did result in changes that influenced the growth in the United States for years to come.
